“ Domonique as I said to you earlier that I love  you and sorry  for your lost! I would love to share these encouraging words from the Bible! Revelation , chapter 21, verses 3 thru 5. Hope you find encouragement from those words.

Love you always and Your Father knew I loved Him too!

“ Mr. Anthony you were a light that shined bright! Your handsome smile n dimples were always the first thing I saw . Because you were always happy, full of life n love!! The way you loved on my big cousin Melissa and Misha was always so beautiful to watch. Misha was definitely created out of love and it showed! You made everyone feel like family on our Calloway side. I know God opened his arms and said job well done son. The type of love you had for your kids n grands I know they have a Devoted Angel. Who's watching over them going on their behalf to the Lord to guide, cover and protect them just like you did on this side . However now with even more power because your with the Lord.

“ The way you spoke of your father is a way I would love for my children to speak of me. I know he was an amazing father, son, grandfather, friend and man while he was here. My thoughts and prayers go out to the family. During this hard time, remember to lean on one another and love on one another. The spirit of Mr. Anthony shall forever live on. Everyday just know that he is looking down and guiding and protecting the family with fellow angels. Although the physical is not present, the spirit can have so much more power. His spirit and soul live on. Blessings to you all.
