“ I’ve thought about what to write & each time I find myself tripping over every word.

*Arturo was always such a huge part of my life. In fact, he has been in my life since I was 12 years old. I feel so blessed to have been welcomed into his pack. He always made sure I was taken care of when I was around. I’ve never been welcomed into another family the way I was his. Arturo always had ways of making sure everyone knew he loved them. I can remember late at night when me, him, and monsey were the last ones awake, he made sure to tell us that we were beautiful & to make sure people appreciate us. We took a vacation to Gatlinburg years ago & I am so glad we got to do that with him! He definitely brightened every room he was in, & we will all miss him so much!*

*"Go rest high on that mountain / 'Cause son, your work on earth is done / Go to heaven a-shoutin' / Love for the Father and the Son".*

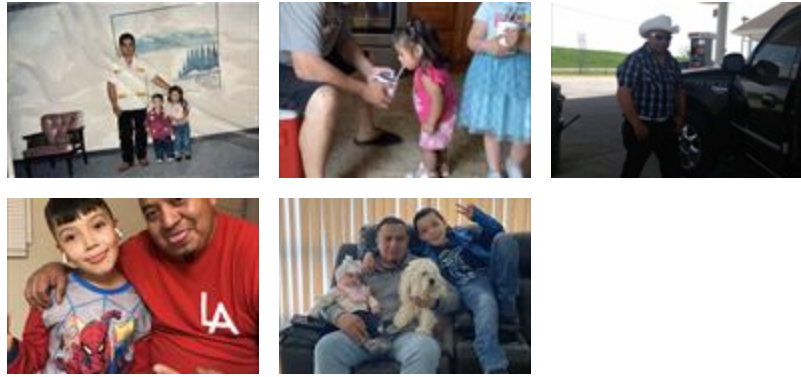

*Rest in peace Arturo we love you, watch over your kiddos & family until you all meet again. 🕊️🇲🇪*
