“ Eric was like another big brother to me although he was my cousin but he will truly be missed. I will always cherish the memories that I shared with him. From him picking me up by head and tossing me as high as the telephone lines in my back yard to him giving me the nickname bucket lol. I love you big cuz and will do my best to hold it down for the family. Love you smitty. ps I'm almost certain that he was about to hit me on top of the head with that ballon in the picture like homie the clown lol.
