“ Jimmy was my best buddy from fifth grade all through middle school. The trouble we'd get into from the back of the classroom with our Star Wars and Battlestar Galactica toys and games. One of the kindest, most open and welcoming people I've ever known. I so wish I could make it to the service. My thoughts and prayers to Jimae and Jilleia.

“ Jimmy Jam was a one of a kind person. We met over 25 years ago at Ivy Hill. We worked together and I learned a lot from him. Even after Ivy Hill closed we would run into each other at Kroger and catch up on everything, you are definitely going to be missed Jimmy Jam 🙏 May The Force Be With You my friend <sup>100</sup> 🙏

“ One of my very best friends in middle school and the first couple years at Seneca. I had to go to Central so lost touch some but enjoyed reconnecting through facebook and seeing his beautiful family and daughter grow up over the last few years. I'm was so sorry to hear this news and I pray for Jimmy and the rest of you all do the tough days ahead. He's in a better place in that galaxy far far away. RIP Jimmy.
