“ Kim, you were a bright light; over 40 years of friendship since high school. Friends like you don't come around often. You always showed us for me and I hope I did the same for you. You never changed throughout 40 years and that's rare in a person. You were one of the funniest person I ever met. My friend, I'm going to miss us talking on the phone, you saying "what's up lulla belle". You will always be in my heart. I cannot tell you how many times I thought about calling you. Rest well beautiful Angel.
