“ *An amazing woman, mother, sister, daughter, aunt, cousin, and friend! She played so many roles and touched the life of many! To know you was a gift, to be loved by you was an experience. Your peace is still now, your body and soul was healed, your heart is restored. You have won.*

"For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us."
Romans 8:18

*To my granny,
You and Jasmine were my girls. As far back as I can remember, all I know is you both were always so proud of me and made it known how much you loved my siblings and I. We all love and miss you so much. Keep looking after us, as we heal. I am going to miss all the little things granny. You are still my angel, thank you for everything you've done for our family over all the years. All the cooking, baking, laughing, singing, teaching, and just spending time together. I learned so much from you. I put my trust in God, our Lord and savior. I know you would want us to smile now and enjoy this life while we're still here. I keep telling myself that you're still here, you got us!! Prayers for love, light and strength for my dada. He is my whole world, just like yall are his. We will meet again my love.*
