*Don't weep at my grave,
For I am not there.
I've a date with a butterfly
To dance in the air.
I'll be singing in the sunshine,
Wild and free,
Playing tag with the wind
While I'm waiting for thee.*

I am so sorry about your loss.

“ You will forever be missed Tim. You was my first love I am heartbroken as our kids are. But we know you are in a much better place and are at peace now. Please watch over your babies always and just know that they are well taken care of. I love you Tim

“ I wasn't around Timmy much. But I do remember when my oldest child Brandy was growing up and we went to his momma and daddy house off Pendleton Rd. and they had a Halloween party and they all had a great time. Good memories.
