“ I miss you so much the feeling gets unbearable. We went thru a lot together and u were one of my best friends. From elementary school to now you were always the same person with a great heart and personality. I wish you were still here. I remember the last conversation we had and I will cherish that. You will always have a special place in my heart. Love you man.

“ I miss you friend. 💔 This specific picture was taken last year at the Kentucky State Fair (that he did NOT wanna go to, but I drug him along with us anyways 😭) I'm so glad I did now because we had so much fun. I hate that you're gone! Say hi to my daddy for me, I'll be missing you until we meet again 💕

“ I have too many things to say about this man. But the things that pop out most are that he was athletic and damn near gifted at every sport he played. He was funny and honestly had a laugh that made a wall funny 😂 I have a lot of love for him spent a long time together as best friends. I have so many videos but it wouldn't let me put them on here so jus know we shared some of our most wild momets in our lives together ❤️🙏 Rest Easy Brother

“ Rest in peace Tory, you will be deeply missed by my family! We will never stop speaking your name and we will always remember you in that funny smirk you always wore. I don't recall ever seeing you without a smile on your face! Hold it down up there and watch over all of those crazies down here 💙
